

## **Prescription Drug Use Form for Safety Sensitive Employees**

**Instructions:** As required by WTA Fit For Work Policy report any prescription medications that may impair your ability to safely perform your job. This includes medications that may cause drowsiness, medications with warnings not to use while driving, and medications with warnings to use with caution while operating machinery. Report new prescriptions and any changes to your prescriptions.

Complete the employee section and take form to your prescribing Health Care Provider. Once completed, submit original form to the Human Resources Department or send through confidential fax (Fax: 360-788-9479) Once received it will be retained in your confidential medical file.
